Celebrate Recovery knows we all have hurts, hang-ups and habits that keep us from being the men and women God wants us to be. Many of us spend our lives searching for something or someone to fix that pain. The truth is there is only one way to find real and meaningful healing in all our relationships. God has a way for us to have hope, to be made whole through Jesus! Come and find out how: we gather for food and fellowship on Monday evenings at 6:30p followed by worship in the chapel. Contact is Darrell James and Wes Frey. Located at Sixes UMC on Bells Ferry Road.

### Their Mission

Goshen Valley is called to break the cycle of abuse and neglect facing our most vulnerable youth. Embracing the character based principles of faith, family, scholarship, and effort; Goshen Valley provides a safe and encouraging home for our youth, while seeking permanency through family reunification, adoption and transitional growth.

### Their Vision

Building on a decade of proven outcomes, Goshen Valley looks to broaden its commitment to vulnerable youth and broken families in Northwest Georgia. Goshen Valley will stand by the older, alone child who faces a difficult and uncertain future. With investment in community programming, Goshen Valley seeks to better reach the family in crisis, providing relevant and proven relief and resource. With the evidence of our outcomes, Goshen Valley seeks to share our practice with state agencies and partners throughout Georgia.

**May 19: Suddenly! Acts 2:1-2 Pentecost**

We often hear people say the phrase, "In God's time." Usually that is said when we are waiting for something to happen. But what happens in our lives when things happen when we are not ready, when suddenly something new is happening, when suddenly you are no longer in control, when suddenly God is doing something different?

**May 26: Filled! Acts 2: 3-4**

What does it mean to be filled? What are you filled with? And what are you doing with what you are filled with? Too often, we are filled with things like anger, hate, or sadness and busy spreading those diseases. The Holy Spirit is eager for you to empty yourselves of those and make room to be filled with God's Spirit to share with the world.

June 2: Purpose and Power! Acts 2: 4

Today the church and its people need once again to be obedient to who God is calling it to be and to what God is calling it to do. When the church fulfills its call to be and do according to the work of that life-giving spirit of God, its purpose will become clear and its work will be empowered in such a way that the world will be amazed and saved.

**June 9: What does this Mean? Acts 2: 5-13**

What does it mean to be a follower? What does it mean to know Jesus as your Lord and Savior? What does it mean? What does it all mean? The gift of the Holy Spirit in our lives helps us answer those questions for others and ourselves. Keeping the Holy Spirit close makes the questions "What does this mean?" a little less frightening.
