

At The Chapel we value persons of all ages, however we value children and youth as the future of God's Kingdom and understand that their growth and education is a sacred trust and responsibility.

Our youth and children's programs are a priority and designed to express our love for them, our desire to share God's love and grace with them, and for them to grow in that love.

Our programs will include study, service, music, hands on experiences, worship, fellowship, special events, outings, and a variety of other learning opportunities.

Please feel free to contact The Chapel with any questions or concerns regarding our youth and children's programing.

A group of people meeting to pursue a shared interest or aim.

That is The GIFT Club!!!!!!

Each week you will have the opportunity to spend time with youth your own age. With youth who share some of the same interests as you. In fact, you might meet someone who has a different interest than you and maybe you will have a new hobby and a new friend!!

There will be opportunities throughout the year to spend time with other youth from other churches in the area. We may visit them, they may visit us!

So many people to meet!!

Sure there is always time to be serious, but it takes more muscles to frown than it does to smile and we are not into too much hard work around here!

And we also know that smiles, and fun capture our hearts and the hearts of others all the time. We never know how fun will arrive!

So much fun to be had!!!

# faith

/fāTH/

Noun:

Complete trust or confidence in someone or something.

Strong belief in God, in the doctrines of a religion, based on spiritual apprehension rather than proof.

That is The GIFT Club!!!

We may not always get it, we may not always have proof, we may not always have an answer....but we trust the God Is For Teens (and everybody else).

No matter what we do, no matter where we are, we will take the opportunity to continue to learn about our God, serve our God, and worship our God.

These opportunities will be available all year in new and exciting ways.

So much to learn and do for God!!
