Ministry in Music

Honor a special friend or family member by memorializing them with a printed brick and placing it in the Prayer Garden. For a mere \$20.00 per brick you receive countless moments of memories by strolling the brick lane and remembering all those special times you had together: rest on the swing and allow your mind to wonder back to those days together. Four full lines per brick: contact Kathy James by calling 770.715.1892 today!

Celebrate Recovery knows we all have hurts, hang-ups and habits that keep us from being the men and women God wants us to be. Many of us spend our lives searching for something or someone to fix that pain. The truth is there is only one way to find real and meaningful healing in all our relationships. God has a way for us to have hope, to be made whole through Jesus! Come and find out how: we gather for food and fellowship on Monday evenings at 6:30p followed by worship in the chapel. Contact is Darrell James and Wes Frey. Located at Sixes UMC on Bells Ferry Road.

Goshen Valley is called to break
the cycle of abuse and neglect
facing our most vulnerable youth.
Embracing the character based
principles of faith, family, scholar-
ship, and effort; Goshen Valley
provides a safe and encouraging
home for our youth, while seeking
permanency through family reuni-
fication, adoption and transitional
growth.

Their Vision

Building on a decade of proven
outcomes, Goshen Valley looks to
broaden its commitment to vulner-
able youth and broken families in
Northwest Georgia. Goshen
Valley will stand by the older,
alone child who faces a difficult
and uncertain future. With invest-
ment in community programming,
Goshen Valley seeks to better
reach the family in crisis, provid-
ing relevant and proven relief and
resource. With the evidence of
our outcomes, Goshen Valley

UMCOR Mission Event

The United Methodist Committee on Relief has a special mission event at this years' North Georgia Annual Conference that both Rev. Anne and Kathy James will be attending. During our time at Conference we will be taking the opportunity to assemble cleaning buckets. The Atlanta Marietta District, in which Fields Chapel is a part, has asked us to bring many boxes of trash bags (30-45 gallon size). Please take the opportunity to purchase a box or two, hopefully three and bring them to The Chapel by Sunday, June 9th. Kathy and Anne will be delivering them to the Conference and taking the opportunity to help put together cleaning buckets that we know will be but to great use, especially with the needs in Oklahoma. Please make sure they are 30-45 gallon size, any brand is fine. Thank you for your help!

**UMCMARKET: SHOP ON LINE AND
DONATE TO THE CHAPEL!!!!**

The General Council on Finance and Administration (GCFA) of The United Methodist Church announces a new program...UMCmarket. This program allows members of The United Methodist Church the opportunity to shop online

at some of their favorite places while generating a donation to their local church. Members can shop online whenever they want. With each purchase, a percentage of the sale can go to the church the shopper chooses. Membership is completely free and it takes less than a minute to join. The benefit of the program is that a shopper can designate his/her own local church to receive a percentage of the sales. Go to www.umcmarket.org.

Arts Day

On July 21st at the 11:00 am service, we will have an Arts Day here at Fields Chapel. Let Patrice Ligon know by writing on a piece of paper what your favorite thing is and why it reminds you of God.
