Honor a special friend or family member by memorializing them with a printed brick and placing it in the Prayer Garden. For a mere \$20.00 per brick you receive countless moments of memories by strolling the brick lane and remembering all those special times you had together: rest on the swing and allow your mind to wonder back to those days together. Four full lines per brick: contact Kathy James by calling 770.715.1892 today!

Celebrate Recovery knows we all have hurts, hang-ups and habits that keep us from being the men and women God wants us to be. Many of us spend our lives searching for something or someone to fix that

pain. The truth is there is only one way to find real and meaningful healing in all our relationships. God has a way for us to have hope, to be made whole through Jesus! Come and find out how: we gather for food and fellowship on Monday evenings at 6:30p followed by worship in the chapel. Contact is Darrell James and Wes Frey. Located at Sixes UMC on Bells Ferry Road.

WHAT SHALL I BRING BEFORE THE LORD SUNDAY?

Have you ever wondered what you have that God wants to hear or see? I have never been more excited about a Sunday than July 21st. Please let me know what song, Hallmark card, poem, photograph, flower, sewing project, perfect concrete or tile laying project or anything that you have ever done that reminds you of God and why? This is NOT all about music. It IS all about what YOU bring to God. Bring it on!!!!!!

Their Mission

Goshen Valley is called to break the cycle of abuse and neglect facing our most vulnerable youth. Embracing the character based principles of faith, family, scholarship, and effort; Goshen Valley provides a safe and encouraging home for our youth, while seeking permanency through family reunification, adoption and transitional growth.

Their Vision

Building on a decade of proven outcomes, Goshen Valley looks to broaden its commitment to vulnerable youth and broken families in Northwest Georgia. Goshen Valley will stand by the older, alone child who faces a difficult and uncertain future. With investment in community programming, Goshen Valley seeks to better reach the family in crisis, providing relevant and proven relief and resource. With the evidence of our outcomes, Goshen Valley seeks to share our practice with state agencies and partners throughout Georgia.

UMCOR Mission Event

The United Methodist Committee on Relief has a special mission event at this years' North Georgia Annual Conference that both Rev. Anne and Kathy James will be attending. During our time at Conference we will be taking the opportunity to assemble cleaning buckets. The Atlanta Marietta District, in which Fields Chapel is a part, has asked us to bring many boxes of trash bags (30-45 gallon size). Please take the opportunity to purchase a box or two, hopefully three and bring them to The Chapel by Sunday, June 9th. Kathy and Anne will be delivering them to the Conference and taking the opportunity to help put together cleaning buckets that we know will be put to great use, especially with the needs in Oklahoma. Please make sure they are 30-45 gallon size, any brand is fine. Thank you for your help!

UMCMARKET: SHOP ON LINE AND DONATE TO THE CHAPEL!!!!

The General Council on Finance and Administration (GCFA) of The United Methodist Church announces a new program...UMCmarket. This program allows members of The United

Methodist Church the opportunity to shop online at some of their favorite places while generating a donation to their local church. Members can shop online whenever they want. With each purchase, a percentage of the sale can go to the church the shopper chooses. Membership is completely free and it takes less than a minute to join. The benefit of the program is that a shopper can designate his/her own local church to receive a percentage of the sales. Go to www.umcmarket.org.

Thank You!

To all you hard working christians who donated your time and skills as the Sawdust Gang on Saturday – We Thank You So Very Much!

This study came highly recommended and I am excited to be able to lead it with and for you. The cost for the participants' book is \$12. Please contact me, Anne Rex, if you have any questions about the study!! Looking forward to our time together!
