SERMON SERIES

5 THINGS THAT WILL DESTROY YOUR MARRIAGE

Presented Aug 18 – Sept 22

We dream about one day finding that special someone and starting a life together. What happens when life collides with that dream? How do we handle managing work, relationships, and obligations so we do not give our partner the leftovers? What do we do when we wake up and realize we have not kept God at the center of our relationship? How do we handle life when our expectations far exceed our realities and the person we thought would be our best friend forever lets us down? How do we reconcile forgiveness, truth, and hurt?

Today	Leaving God Out	Genesis 2:18 and 1:28
Sept 8	Failing to Forgive	Matt 18: 21-35
Sept 15	Withheld Truth	2 Samuel 11 – 12:7
Sept 22	Renewing of Vows

Youth Ministry Fund Raiser

Our Youth Ministry is excited about our initiative called Team 316. Our vision is to gather team members from our church and community who will contribute just \$3.16 a week over the next year to support Youth Ministry outreach efforts. These gifts will fuel annual mission trips, local outreaches, and other way we serve as the hands and feet of Jesus.

Team 316 will be our only fundraising effort all year - no more small fundraisers all year long - so please stop by our table Sunday, September 15th and Sunday, September 22nd to get all your questions answered and sign up to be on the team! If you have any questions, please see Rev. Anne Rex.

Choir News

It is amazing to me how much of the Bible I learned from singing anthems with various choirs.

For example, if I let my thoughts drift, the following come bubbling up:

O clap your hands all ye people. Shout unto God with a voice of triumph...

For His mercy endureth forever...

We are His people and the sheep of His pasture...

The Lord is my light and my salvation....

For unto us a child is born...

And this list goes on and on and I learned it all from singing FIRST. Putting it into Biblical context came with a lot of reading. Educators can tell you that any time you add a sensory experience to a learning experience, you increase the chance of someone grasping the subject matter faster and more accurately. Adding hearing and saying to reading increase your chance of remembering what you read.

So choir functions not only as a means of worshiping God, but also as a means of learning some of the words you can use to worship God. If you have ever arrived a little late to a meeting and then slowly opened the room so that you wouldn't disturb the people already engaged in meeting with one another, then choir can be like that.

It is a means of opening a door into the Bible through which you can enter into God's courts with praise. The great thing is that everyone already in the meeting won't find your entrance to be a disturbance at all.

They'll all be glad to see you and welcome you.

O God, we have heard with our ears. Please let us hear with our hearts so that our mouths will open and pour out your praise.
