Our restrooms, nursery, classrooms, offices, kitchen and fellowship hall are located on the lower level of the church. Please make yourselves at home.

SERMON SERIES

5 THINGS THAT WILL DESTROY YOUR MARRIAGE

Presented Aug 18 – Sept 22

We dream about one day finding that special someone and starting a life together. What happens when life collides with that dream? How do we handle managing work, relationships, and obligations so we do not give our partner the leftovers? What do we do when we wake up and realize we have not kept God at the center of our relationship? How do we handle life when our expectations far exceed our realities and the person we thought would be our best friend forever lets us down? How do we reconcile forgiveness, truth, and hurt?

LEADERSHIP 2014

I know it is crazy to be talking about 2014, but we are already into August of 2013!! Yikes!! We are in the process of seeking individuals who would like to be a part of the leadership of The Chapel. Are you interested in a certain aspect of ministry? Is God leading you to step out beyond your comfort zone? Do you want to be a part of something bigger than you? If so..we have the answer, right here at The Chapel! Please see Rev. Anne to discuss your thoughts and ideas!

POWER POINT PRESENTATION

Anyone interested in participating in doing the Power point presentation on Sundays please see Kathy James. We would like to have several so no one has to do it all the time. Six people would mean you would only do it for 1 month 2 times per year. Its fun and keeps you informed with what the church is doing.

Special Program, Wednesday, Sept 25 Sex Trafficking Statistics In the United States

Wednesday evening Sept 25 during our normal youth programming time we will be hosting Bishop and Karen Right. They represent several organizations that are combatting Sex trafficking here in Georgia, around the country and the world.

You are invited to join us as we hear their stories and educate ourselves. We will learn about the fastest growing business of organized crime in the world and find out ways to help alleviate this modern day slavery that includes millions of children around the world. Please feel free to join in on the conversation as we learn from Bishop and Karen. We will be meeting upstairs in the sanctuary.

- Human trafficking generates \$9.5 billion yearly in the United States.
- Approximately 300,000 children are at risk of being prostituted in the US.
- The average age of entry into prostitution for a child victim in the United States is **13-14** years old.
- A pimp can make **\$150,000-\$200,000** per child each year and the average pimp has 4 to 6 girls.
- The average victim may be forced to have sex up to 20-48 times a day.
- One in three teens on the street will be lured toward prostitution (sex slavery) with 48 hours of leaving home.

Choir News

My lips will shout for joy, when I sing praises to you; my soul also, which you have redeemed. –Ps. 71:23

There are lots of ways to praise God. We forget to be joyful sometimes when we categorize music into little boxes. It is possible for very quiet, gentle music to be intensely joyful. It is possible for sad words to convey great joy. It's also possible that words of great joy and praise can ring hollow in God's ears because they are sung not toward God, but to make the singer feel good. What this passage teaches us is that worshipful music is a matter of intention. We have to focus our praise on God and our mind and heart of God. The joy is not put in place by us and then offered. The joy comes in the act of offering our hearts and voices to God and this joy is given to us by God.

Singing in church helps us keep our perspective in the right order.

Site Planning Committee

A new Site Planning Committee is being formed and we would like to know who would be interested on serving on this committee. Every- one is welcome to attend all meetings, however here are the guidelines...

1. Pray. Pray about what the Lord is asking of The Chapel.
2. Come with an open and loving heart. No suggestion is too outrageous and nothing is sacred.
3. Everyone in attendance will have a job to do. We are thrilled to have any and all comments, but that gets nothing accomplished. If you wish to join us, please be prepared to be part of the solutions!

This committee will meet monthly to gather information about the current facilities and plan for future expansion. They will gather facts and figures and present these to the appropriate committees for further action.

Current needs for this committee...secretary, volunteer coordinator, and other tasks to follow. The first Site Planning Committee meeting will be held, **Sunday, September 22, 5:00 pm**. The meeting will be one hour in length. Please see Rev. Anne for additional info.
