### **Sermon Series**

#### **Be Still & Know**

**October 6 – October 27**

**Life is full of movement. Movement is not a bad thing.**

**If we are moving, we are living. We are making progress. Movement, though, is also exhausting—physically and mentally. In some ways, all this movement can be paralyzing. We feel stuck or caught because though we're moving all over the place there is no direction or meaning behind it. We know we're moving, but we wonder if we're really getting anywhere. God says, "Be still." The scriptures place an importance on intentional time taken to be still before God. This sermon series is focused simply on stopping, slowing down so there can be lasting change.**

**TODAY Be Still and Know Psalm 46**

**Introduction to the series: Our bodies and brains are constantly moving to keep up with our schedules and responsibilities, our goals and our hopes. We must take time to be still and quiet, becoming more attuned to the spirit of God.**

**October 13 Dealing With The Noise 1 Kings 19:9-13**

**October 20 Knowing and No-ing Mark 1:29-39**

**October 27 Stand Still and See Exodus 14:10-22**

### Women's Bible Study

Just a reminder that the Women of Fields Chapel meet every Monday at 1:00 pm for Bible study. All are welcome. It is not necessary to attend all classes, or is it necessary to purchase any of the materials. We also discuss personal feelings and problems that come up during the week. Please plan to attend we would love to have you.

### Lighting the Candles

We want to start the lighting of the candles on the alter at the beginning of the service. This is generally done by the children ages 12 and up. If you are interested in your child lighting the candles on Sun. at the 11 am service please see Karen McLees or Bonnie Nelson. They will be making the schedule for the children to be part of the worship service.

### Flowers for Chapel

Some of our church members would like to see fresh flowers on the alter for Sunday mornings. This is another wonderful way of worshiping and sharing the Lords beauty. There will be a sign up sheet in the back for anyone interested in bringing fresh flowers for the alter in honor of someone or in memory of someone or just because you want to share Gods beauty with the church. Please put your name down who the flowers are in memory or honor of and the date you want to put fresh flowers on the alter so we can put it in the bulletin. If you have any questions please see Bonnie Nelson.

How does anyone in music ministry approach the idea of silence? That would seem to be the antithesis of music. In fact, one of the toughest things for me in my prayer walk and my time with God is to shut off the music that constantly plays through my mind. One thing I have discovered is that music can both connect me to God and also *prevent* me from connecting with God. It is vital to my spiritual growth that I know when silence is preferable to praise. Silence is often the greatest praise of God that I can offer, because my silence comes at the moments when I don't feel any need to fill space between God and me. He has already filled it with His sound. I absolutely depend every day on my silent time hanging out with God. I encourage everyone to learn how to be silent. It's harder to do than people realize. You find our attention slipping to outside noises. You hear bugs you never heard. You shuffle your feet. You'll try almost anything not to be still and silent. On the other hand, when that moment of silence finally allows God to indwell, you will never be the same. It is the greatest music I have ever heard and it doesn't make a single sound.
